**We are currently recruiting!**

Deadlines are as follows:

2. **Application** – after nomination, students will receive an e-mail with application instructions and need to register in our application system, which will be open till **6<sup>th</sup> of December 2023**.

**Important!** *Students need to use this e-mail when registering in the application system. It will be used by us to send all necessary information.*

**Required documents to be prepared by students:**

- Application Form (to be downloaded after completing the registration);
- Transcript of Records from Home University;
- Language Certificate proving at least a B2 level of English or confirmation from Applicant's Home University;
- Scan of an international passport;
- Photo for student ID.

### What to study? We are flexible

Offer of more than 200 courses in English is available on Short Study Programs list: <https://amupie.amu.edu.pl/>

**Important!** Students are free to choose classes from different faculties (however the majority of chosen classes should concern their main field of study). Students can choose as many classes as they want – they agree their choice with their Home University (which is approving their Learning Agreement).

**In case of foreign philology** students interested in the courses from the Faculty of Modern Languages and Literatures and Faculty of English can contact Faculties directly and agree on possibilities of joining classes individually.

During application process students are choosing their courses. **This is a pre-selection.** Upon arrival they will be able to confirm their choice or to change it by removing or adding new courses. They will do it in a special online system which is launched upon their arrival.

**Important!** Courses are a subject to change – throughout a year new courses appear on the list, meanwhile some of them might be cancelled. If such situation happens, student can add a new or choose another course. After choosing courses students will be assigned to one of our **Faculty Coordinators** who will be responsible for assisting with documents in place (like Transcript of Records at the end of the stay).

### Where are classes held?

We have three campuses in the city which are easy accessible by public transportation (streetcars, buses, regional trains). Classes are held in buildings of the faculties, so depending on student's choice of courses, they can be in one or sometimes on all campuses.

### Moving around the city is easy!

Upon arrival we are issuing Student ID card (cost is 22 PLN, approx. 5 EUR) which entitles to 50% reduction on price of public transportation tickets. Public transport is convenient and cheap:

- the 30 days student's ticket in September 2023 for all buses, streetcars and regional trains within the boundary of Poznań was for 74,50 PLN – approx. 17 EUR,
- the 120 days special ticket for students was for 155 PLN – approx. 35 EUR.

Exchange rate 1 EUR = 4,47 PLN on 31<sup>st</sup> of August 2023.

### Where to sleep?

Students can find accommodation on their own (like rent an apartment) or stay in one of our dormitories: <https://amu.edu.pl/en/education/amu-dormitories>

Our rates are very convenient. Depending on the dormitory and type of rooms the price range in Spring/ Summer Semester 2024 is from 580 to 1140 PLN per month (approx. 130 to 255 EUR, exchange rate 1 EUR = 4,47 PLN on 31<sup>st</sup> of August 2023).

Due to high demand we can guarantee only 2 places for each Partner University students. However we always try to help in finding accommodation.

### Where to eat, drink and entertain yourself?

Poznań, home to 540 thousand people (metro area **1 million**) is one of the biggest cities of Poland with about **1 thousand** restaurants, pubs, cafes and clubs. Easy access to different type of supermarkets and shops – your students will find all products and services which they need.

### Be a part of our community!

Our International Office Team is always eager to meet students. We have a Welcome Centre office where we can help to solve problems. We have ESN (Erasmus Student Network) group which supports new students and helps them to discover our city (Buddy Program). We organize different events and trips. Our main goal is to make your students a true members of our University team!
