- Students then receive instructions to apply for their J1 visa.

ACCOMMODATION

- On-Campus Housing is limited and therefore not guaranteed to students.
- Students can indicate interest in living on-campus via their online application. Upon submission of the complete application, students will be considered on a first come, first serve basis until slots are filled.
- The on-campus dorm for exchange students is [Weaver Hall](#). Weaver Hall is part of the **International Living Learning Community**.

- UF offers support for off-campus housing through the [Off Campus Life](#) office. Ultimately, students are responsible for their own off campus housing.

HEALTH INSURANCE

All UF students are required to have health insurance that meets Affordable Care Act (ACA) coverage standards. This coverage standard also fulfills international student visa requirements. The UF Health Insurance policy is an “opt-out” system. All UF students, including exchange students, will be automatically enrolled in UF’s Health Insurance Plan. Students can either

1. Stay enrolled in the UF Health Plan or
2. Submit a waiver to request approval for an outside policy by deadline (outside policy must be comparable to ACA coverage).

NOTE: UF does not accept overseas insurance plans. Students who do not wish to purchase the UF plan can choose from one of the pre-approved plans on the [International Center’s website](#).
