Application Procedure for GGMP

Requirements for GGMP

☑ At GNU, **most courses are taught in Korean(around 90%)**, and **some taught in English(around 10%)**. If you are fluent in Korean, you may take any courses that you want.

☑ However, **if you are not fluent in Korean, please bear in mind that your course registration can be limited**.
You may not find any relevant courses with your majors and even your course application can be rejected by course lecturers.

☑ So, we strongly advise you to take good care of your credits for your graduation at your home university before coming to GNU.

☑ Graduate students **will officially be admitted** only after being **reviewed and approved by their respective department or laboratory at GNU.**
